MYSORE LEGISLATIVE ASSEMBLY

FORTIETH DAY.

Friday, the 28th September 1956.

The House met in the Assembly Hall, Atara Kacheri, Bangalore, at Twelve of the Clock.

MR. SPEAKER (SRI H. S. RUDRAPPA, B.SC., LL.B.) in the Chair.

QUESTIONS AND ANSWERS.

New State of Mysore (Reallocation of Personnel, and Assets and Liabilities)

Q.—663. Sri H. C. LINGA REDDY (Malur).—

Will the Government be pleased to state:—

(*a*) the steps taken for reallocation of (i) personnel, (ii) assets and (iii) liabilities in connection with the formation of the State of New Mysore under the Scheme of States Reorganisation;

(*b*) the progress so far made in this behalf?

A.—Sri Kadidal MANJAPPA (Chief Minister).—

(*a*) and (*b*)

1. Action for the allocation of the posts and personnel of the All-India Services has been taken. As regards the other Services, information received is not complete.

2. *Re*: re-allocation of assets and liabilities, adequate provision exists in the States Reorganisation Act.

Sri H. C. LINGA REDDY.—You have been pleased to say that action has been taken for the allocation of posts and personnel of the All-India Services. May I know whether option was given to the officers to make selection?

*Sri Kadidal MANJAPPA.—It is not the question of giving any option; whoever is allotted to Mysore State will have to be shown some place.

Sri H. C. LINGA REDDY.—How many posts of the I.A.S. in the senior cadre have been assigned to the New Mysore State?

Sri Kadidal MANJAPPA.—All told the strength of the I.A.S. is 90, and I.P.S. is 47.

Sri H. C. LINGA REDDY.—In the matter of selection of the personnel, has it come to the notice of Government that the services in the present existing State of Mysore are very much dissatisfied?

Sri Kadidal MANJAPPA—No.

Sri H. C. LINGA REDDY.—With regard to the other services, you have mentioned, "information is not yet received". Will it be possible for you to receive the information by the time of the formation of the New State?

Sri Kadidal MANJAPPA.—Yes, we have received the information with regard to the Gazetted Officers, and that is under scrutiny. With regard to the Non-Gazetted Officers, the full information is not available.

Sri H. C. LINGA REDDY.—With regard to the reallocation of assets and liabilities, you have stated that provision exists in the States Reorganisation Act. No doubt there is provision, but have the provisions been worked out and details of assets and liabilities determined?

Sri Kadidal MANJAPPA.—I would like to invite the attention of the Hon'ble Member to Part VII, page 37 of the States Reorganisation Act where general principles have been enumerated. The assets and liabilities will have to be ascertained in accordance with the principles contained therein

Sri H. C. LINGA REDDY.—My question is: whether in accordance with those principles the assets and liabilities have been so far fixed and determined ?

Sri Kadidal MANJAPPA.—So far as the land and goods are concerned, they come with the area and then with regard to assets mentioned in the proviso to section 76 of the States Reorganisation Act, they will have to be ascertained—I mean decision has to take place later.

Sri H. C. LINGA REDDY.—May I know what would become of the Revenue Commissioner and the establishment thereof when the New Mysore comes into being ?

Sri Kadidal MANJAPPA.—The posts of the Revenue Commissioner and Local Self-Government Commissioner will stand abolished after 1st November 1956.

Sri G. SIVAPPA.—May I know how the cadre of the Gazetted Officers is going to be fixed after the formation of the new State ?

Sri Kadidal MANJAPPA.—All the officers will be included in the joint cadre, *i.e.*, the common cadre. The seniority will be fixed according to the principles enunciated by the Government of India.

Sri G. SIVAPPA.—What are the factors that will be taken into consideration in fixing the cadre of the Gazetted Officers ?

Sri Kadidal MANJAPPA.—In the case of I.A.S. Officers, the rank is already determined with reference to the All-India I.A.S. List. But in the case of other officers, the seniority will be determined on certain principles enunciated by the Government of India, *i.e.*, the total length of service in a particular grade and the equation will be brought about in the same grade. That means the Superintending Engineer's grade is to be equivalent to Executive Engineer's grade in Mysore State.

Sri G. SIVAPPA.—Is it not a fact that in the State of Hyderabad very young people have been made as Superintending Engineers and the Executive Engineers who will come and sit in our offices ?

Sri Kadidal MANJAPPA.—That cannot be helped.

Sri Mulka GOVINDA REDDY.—May I know the names of persons selected for each of the Secretary's posts in the Secretariat and posts of Commissioners and Heads of Departments ?

Mr. SPEAKER.—The Government have issued a communique wherein they have published the names.

Sri Kadidal MANJAPPA.—That list is subject to further alterations in the light of any new circumstances.
